Experience

Web Development Intern

KhushiSeYoga
03/2020 - 07/2020

I along my intern team developed a website using WordPress CMS and some custom coding in PHP. I worked hard and achieved to be the best intern among my team.

Graphic Design Intern

Inglu Global
03/2020 - 07/2020

I worked with the Graphic Design team of the company to create modern designs for Social Media posts and also VFX animations for the same.

Trainee Engineer

Woory Automotive India Pvt Ltd
12/2019 - 01/2020

I underwent a in-depth training about the electrical components present inside a car & their detailed operation. On the final day of my training, I witnessed the fabrication of an IC Chip.

Trainee Engineer

Barathi Enterprises
06/2019 - 07/2019

I underwent a detailed training on the basics of electrical drives and their operation. On the final day, I was provided with electrical components and asked to make my own project. I created a LED based Music Reactor.

Certificates

- Web Development Bootcamp (Internshala)
- Django - Python Bootcamp (Codegnan)
- CPS and It's Applications (OptiThought)
- Deep Learning Bootcamp (IEEE KS YP)

Projects

Automated Plant Grower: (02/2020 - 03/2020)

The device analyses the physical environment of the plant and supplies water & minerals as per the need of the plant

StunG: (07/2020 - Present)

The device is an aesthetic wearable that could be used as a defence tool in case of emergencies by women and children

Languages

- English (Full Professional Proficiency)
 - Telugu (Native or Bilingual Proficiency)
- Tamil (Native or Bilingual Proficiency)
 - French (Elementary Proficiency)
